

INTERNSHIP CERTIFICATE

This is to certify that **Shreyash Kumar Rout** has completed an Internship at NeoMotion Assistive Solutions during **28th May 2022 to 8th July 2022**.

During the internship, he observed the processes on the shopfloor and worked on the following mini projects.

- Fabricated a handlebar storage rack for improved store space unitilization
- Organized material planning and execution to build H-Frame storage rack
- Studied assembly sequence of electric add-on for improvisation
- Examined the quality inspection time for electric add-on and provided inputs to reduce it by 15 minutes.

We wish **Shreyash Kumar Rout** best wishes for his future endeavors.
